Fabric Care

For your convenience, we have included pertinent information on the fabric care for this quality product.

A periodic review of this information will enable you to maintain the overall performance and appearance and will help extend the useful life of the fabric.

Please refer to the specific pattern fabric/vinyl covering on your product. Contact your Corcraft sales representative at 1 (800) 436-6321, extension 2640, or our Marketing Unit at extension 2663 for the card corresponding to your fabric or vinyl pattern. The card includes either a "Cleanability Code" or detailed cleaning instructions.

For those cards with codes noted below, clean as follows:

Code Cleaning Instructions

WS Water-based cleaning agents and foam may be used for cleaning. May also be cleaned with mild, water-free solvents.

W Water-based cleaning agents or foam may be used for cleaning.

S Only mild, pure, water-free dry cleaning solvents may be used for cleaning.

Note: **For Hyde and Crypton fabrics use mild soap and water.**

Maintaining your fabric or vinyl covering will ensure optimum appearance for years.
