HOW TO ORDER

Your freestanding acoustical panel order will be processed most efficiently if you use current and correct codes on your purchase order. Freestanding acoustical panels are offered in several fabric colors and edge treatments. To view fabric colors and edge treatments, contact your Corcraft salesperson or the Customer Service Unit.

When you have made your fabric and edge treatment choices, you need to enter the item code and enter the fabric code after it on your purchase order. You must use the fabric code numbers, not word descriptions. Here is an example for a 24W x 60H panel with feet and PVC edge treatment with Blue Neutral fabric:

```
FSSP2460X_Q_E - E
```

PRICES

Prices are listed in Corcraft’s Pricing and Specification Guide available free from your Corcraft sales representative or by calling the Customer Service Unit. The Pricing and Specification Guide is also downloadable from our web site as a .pdf file requiring Adobe Acrobat Reader; downloadable at no cost on the web.
