SLED BASE CHAIR

SPECIFICS:
- Back and seat are foam cushioned and upholstered
- Contoured seat to alleviate pressure points under user’s legs
- Round 13 gauge tubular steel sled base legs, powder coated paint, four colors available, or chrome finish
- Backrest is compound curved with injection molded polypropylene shroud — same color as selected for frame except chrome frame will have black shroud
- Sled base legs easily move on carpeting
- Available with optional black molded thermoplastic arms
- 17 1/2"W X 17 1/2"D seat
- Seat height 17 1/2"
- Nonstacking
- Available in the following matching frame and backrest shroud colors: Black, Blue Grey, Warm Grey, Sand, Chrome (Chrome frame will have black shroud)

Customers who wish to purchase Alta sled base chairs with the glides already attached to the chair, can do so by adding "RG" to the end of the Alta sled base item code directly after the fabric code.

Alta Chair Glide Kit

Weight 30 lb
‡ Note: 4 leg chair only.

**** Complete the code indicating your Corcraft fabric covering choice by including the data in the spaces provided to the right of the item code.

HOW TO ORDER
Your Alta seating order will be processed most efficiently if you use current and correct codes on your purchase order. Alta seating is offered in a wide array of upholstery fabrics in several price ranges. Upholstery fabric samples and codes are presented in a separate catalog. To view fabric samples and get the code, contact your Corcraft salesperson or the Sales Unit.

When you have made your choices, you need to enter the Alta item code and enter the fabric code after it on your purchase order. You must use the fabric code numbers, not word descriptions. Here is an example for an Alta Sled Base Chair, Armless with a black frame/shroud and a standard fabric:

(Item Code)                 (Fabric Code)
