# CXO EXECUTIVE SEATING SERIES

The CXO chair is offered in black fabric.

## HOW TO ORDER

Your CXO Executive Seating order will be processed most efficiently if you use current and correct codes on your purchase order. CXO seating is offered in three styles, and is available only in black fabric. For orders of 25 or more, other fabric choices may be available with longer delivery times. Upholstery fabric samples and codes are presented in a separate catalog. To view fabric samples and obtain the code, contact your Corcraft salesperson or the Customer Service Unit.

When you have made your CXO seating choices, you need to enter the CXO item code on your purchase order. You must use the code designations, *not word descriptions*. Here is an example for a *CXO High Back Chair without headrest in the standard fabric*.

Item  
Code

**CXOHBBLK-NH**

CXO is Corcraft's most comfortable ergonomic chair with more adjustments, spring-loaded ball bearing movements for arms, optional headrest and lumbar support; Enersorb™ foam, a unique lumbar support, special four-way stretch fabric (black only), open mesh back, even a coat hook.

It is the seat to choose for ultimate comfort and productivity. Available in high back, with or without optional headrest. Also available as a side chair.
