HOW TO ORDER
Your bookcase order will be processed most efficiently if you use current and correct codes on your purchase order. You need to choose a laminate wood tone if you choose a laminate top, and a metal color (a metal top would be the same color). To view paint chips and wood tone laminate samples, contact your Corcraft salesperson or the Sales Unit at the phone number below.

When you have made your size and color choices, you need to enter the right item code and the two digit color code numbers, not word descriptions. Here is an example of a four shelf bookcase with 12-inch deep walnut laminate top and Ceylon Blue Paint:
