

HAND SANITIZER

Description

Corcraft is offering a highly effective and convenient hand sanitizer for use when soap and water are not available. The sanitizer contains benzalkonium chloride, which kills 99.99% of common germs, including MRSA. Other features:

- *Alcohol free*
- *FDA Approved*
- *Fragrance free*
- *Non-irritating, non toxic and gentle to skin. Does not sting when applied to chapped hands.*
- *Leaves hands fresh, with no residue.*
- *NSF Approved for food service workers*

Corcraft is marketing the Hand Sanitizer in four sizes:

- *1.7 oz (50 ml) with and without belt clip*
- *7.1 oz (250 ml)*
- *4/1 gallon jugs*
- *5 gallon pail*

Available in this popular 1.7 oz personal size, shown with belt clip.

Accessories

Corcraft also markets wall dispensers for mounting in bathrooms, kitchens and other areas. They come with all mounting hardware.

Wall dispenser for hand sanitizer.
